- 30 minutes independent reading
- 20 minutes on Spelling Shed
- 20 minutes on Times Tables Rockstars or Numbots

Danesfield
School

Focussed tasks:

Week 4 25.01.21	Monday	Tuesday	Wednesday	Thursday	Friday
English	<p>As our English work for the next 3 weeks is going to be based around Roald Dahl's book "George's Marvellous Medicine", we think that it will be very useful for the children to be familiar with the story before we start our work. Today we would like your children to watch the story read aloud.</p> <p>https://www.youtube.com/watch?v=NHSQFuTz-8Q</p> <p>If you would prefer to watch this later on today, you can do a piece of writing about what you did at the weekend.</p>	<p><u>George's Marvellous Medicine</u></p> <p>We are looking at the different types of language and patterns of language that Roald Dahl uses in his writing.</p> <p>Today we will focus on rhyme and onomatopoeia. Complete the 'Revolting Rhymes' sheet by finding words that rhyme with those given.</p> <p>Complete the 'Sound Scorcery' sheet by writing some onomatopoeia words to describe the picture.</p>	<p><u>George's Marvellous Medicine</u></p> <p>We are looking at the different types of language and patterns of language that Roald Dahl uses in his writing.</p> <p>Today we will focus on alliteration and similes. Complete the 'Incredible Ingredients' sheet using alliteration.</p> <p>Complete the 'Sassy Similes' sheet to describe Grandma.</p>	<p><u>SPaG</u></p> <p>To use subordinating conjunction words to add additional information.</p> <p><u>Spelling Shed</u></p> <p>List 17</p> <p>Adding 'ing' to words ending in 'e' with a consonant before it.</p>	<p><u>Reading Comprehension</u></p> <p>Get well soon Sports</p>
Maths	<p><u>Odd and Even Numbers</u></p> <p>Complete pages 15, 16 and 17 in your Power Maths Book 2B</p>	<p><u>Dividing by 5</u></p> <p>Complete pages 18, 19 and 20 in your Power Maths Book 2B</p>	<p><u>Dividing by 10</u></p> <p>Complete pages 21, 22 and 23 in your Power Maths Book 2B</p>	<p><u>Bar Modelling - grouping</u></p> <p>Complete pages 24, 25 and 26 in your Power Maths Book 2B</p>	<p><u>Bar Modelling – sharing</u></p> <p>Complete pages 27, 28 and 29 in your Power Maths Book 2B</p>

<p>P.M.</p>	<p><u>Geography</u></p> <p>People who live on an island face different challenges and dangers. Some items found on a lot of islands help the islanders with these challenges and dangers. To help you understand the function (job) of things found on islands, match the picture and its function description.</p> <p>Extension: Diamond Nine activity. Rank the nine items in terms of their importance in the shape of a diamond with the most important item at the top. Explain your order to choice to someone at home.</p>	<p><u>Art - Lowry</u></p> <p>Look closely at Lowry's painting "Coming From The Mill" 1930. Stick the buildings that you cut out last week onto the background. Draw in windows, add figures, smoke and detail to complete your Lowry picture.</p>	<p><u>Science</u></p> <p><u>Exercise:</u> Why should we exercise and what happens in our body when we exercise? Investigate what happens to your pulse when you exercise.</p> <p>Measure your pulse for one minute, exercise for one minute and then measure your pulse for one minute again. What do you notice? Why do you think this is?</p>	<p><u>Computing</u></p> <p>Linked to our Geography lessons, choose an island to make a Sway presentation on. Create a title page and at least 3 more slides giving information about the island E.G. where it is, population, language spoken, currency and any other interesting information.</p>	<p><u>FunTime Friday</u></p> <p>PE / Exercise </p> <p>Forest school</p>
